Status Solutions Expands Operations Internationally

Charlottesville, Va., March 9, 2010 — Status Solutions, provider of the Situational Awareness and Response Assistant (SARA), announces the expansion of its sales and channel operations to Canada.

“We are confident that Canadian acute care providers, senior housing facilities, schools, municipalities, manufacturing facilities, etc. will benefit from our innovative alert solutions the same way as our US customers and partners have,” states Mike MacLeod, Status Solutions Co-Founder.

Status Solutions has retained the services of Access2Sales Inc. to expand its offering. Philip Hamlin, Canadian Territory Manager has been working with facilities for more than 20 years to manage challenges through the introduction of technically and financially feasible solutions. Tim Cavins, Status Solutions SVP of Sales, comments, “Philip was chosen for this role because of his experience helping customers with technical project management including technology integration, network development, implementation and support.”

This new territory will be supported by a strong dealer network and Status Solutions’ customer-focused implementation and support teams.

Status Solutions’ Canadian office is located at:
1 Yonge Street, Suite 1801
Toronto, Ontario, M5E 1W7
(866) 846-7272 x780

About Status Solutions and SARA:

Status Solutions provides situational awareness solutions with expertise in vertical markets such as senior housing, healthcare, education and government. The Situational Awareness and Response Assistant (SARA) is an automated alerting system and awareness engine that sends voice and text alerts via phone, email, etc. SARA provides a wireless sensor network, integration tools (to existing systems and devices) and broadcast communication in a single solution.

This rich set of capabilities resides on a single technology platform, allowing facilities to utilize one system to turn all of your alarms into managed alerts and seamlessly provide Life Safety Assurance, Security Monitoring, Environmental Awareness and Mass Notification.

With a combination of skills in computer telephony integration, as well as practical experience in the delivery of monitoring and notification tools, Status Solutions is a focused growing company, with customer satisfaction as their top priority.

Our mission is to keep people informed. With our innovative alerting solutions delivered by SARA, you can be aware of any situation occurring in your facility. Because right now matters most.

To learn how SARA can work for you, visit our website at www.statussolutions.com.
